

Texas AgrAbility Lunch & Learn Series

Learn about valuable resources for farmers and ranchers with disabilities.

Speakers:

Natalie Roy, MPH
AgriSafe Chief Executive Officer

Tara Haskins, DNP, MSN, RN, AHN-BC
Total Farmer Health Director

This Session's Topic:

AgriStress Helpline: A Resource for Farmers & Ranchers

Farming and ranching ranks among the most stressful occupations, with suicide rates nearly twice as high as the national average. The AgriStress Helpline is a new resource for farmers and ranchers in mental health crisis. Join us to learn more about the helpline and how it supports farmers and ranchers.
